The event that brought this year to a close was the OEA Superstars competition in which the teachers, merchants, and each of the classes competed. This years superstar victory went to the Seniors.

The lettermen began this year with a new addition. This was the first year girls have been in the club, and, according to Mr. Ewing, each helped considerably. Among the activities of the lettermen is the car wash, WMEE basketball game, faculty-lettermen basketball game, bakesale, and the annual FCA-lettermen's hayride. The hayride had a few problems. First, the leaders got lost, then an engine of one of the tractors blew. As if that wasn't enough, a girl got sick, a wagon had a flat tire, and the movie that followed got started two hours late.

FCA BIG SUCCESS AT PEP SESSIONS

The Valiant Brothers, Jed Feagler, Doug Gilliland and Craig Hutton amazed the crowd with their championship wrestling act.

This year under the leadership of Mr. Richard Boyd, FCA organized the following: a hay ride, Christmas caroling for the elderly, an all nighter, skits for pep sessions, a 12-hour bike-a-thon for the athletic department, a float for homecoming, a Wowo Penny Pitch, took elementary special ed to Hamilton basketball game. FCA also established themselves as members in the national FCA.

The preceding summer all three cheerleading squads attended UCA camp at Purdue University. The three squads received a total of 5 excellent ribbons and 4 Outstanding ribbons. They received a spirit stick to take home at the end of camp. The Varsity squad also was chosen to be in the top ten for District Title.

To start off the new school year they held a dance featuring a WMEE Disc Jockey. One of their effective money raising projects was Garrett Railroader buttons and key chains.

During a home Varsity football game, Dale Christlieb generously donated $125.00 which was highly appreciated and used for new uniforms for the Varsity Squad.

An addition to the 13 girls were five high school gents used as Bases for the Varsity squad throughout the Basketball season. They were used in the starting line up and during several cheers.

This years cheerleaders were highly complimented and recognized by the administration, fans and parents as being one of the best group of cheerleaders in the past several years.

FRESHMEN

Freshmen track stars Brenda Palmer, Marsha Haffner, and Angie Lehman smile while waiting to have their track picture taken.

The freshmen enjoyed the priveleges of high school for the first time. They attended the semi-formal and were included in dances, clubs, and new activities. They were full of pep and spirit and had excellent enthusiasm. This enthusiasm was carried into the week of homecoming when all of their hard work and determination earned the class the honor of having the best decorated hall. Many unique and creative ideas were displayed including a taped "railroad track" on the floor showing a flat DeKalb Baron which had been ran over by a long gone railroader. Representing the freshmen at football homecoming were Chris McIntosh escorted by Rob Bandy and Wendy Maggert escorted by Gerald Kline. For basketball homecoming Lena Sorenson was escorted by Harold Kline.

Dennis Omspacher makes a "spectacle" of himself on spirit day.

Superstar team: Front — Willis Rowe; Cyndy Sparks; Lisa Lepley; Linda Scott. Back — Larry Davenport; Jim Kleeman; Tom Newbauer; Mark Bowman; Tony Surfus; Rick Zolman.

Class officers: Treas. — Lisa Lepley; Sec. — Beth Van Zile; V. Pres. — Cyndy Sparks; Pres. — Linda Walker.

The Class of '81 started the year by winning the best decorated car at football homecoming. A black Trans Am was highlighted with gold-tipped white flowers and streamers.

The sophomores chose royal blue class jackets with red trim and they purchased Super Soph T-shirts for Superstars. They kept themselves busy with extra-curricular activities and they enjoyed lunch, the last bell, and pep sessions.

JUNIORS

Kyle Flesher and Ron Conrad take a break during the East Noble track meet.

SANTA'S
ELVES

Mary Gingery poses in her costume for the Christmas convocation.

What is a Junior? A Junior is an "upperclassman" who hasn't quite yet been able to receive the extra priveleges of a Senior, but has already gotten over adjusting to high school. But you had to have some special qualities to be a Junior in the Class of 1980.

A Junior is patient. After waiting for class jackets in your sophomore year, the long tension-filled months of waiting for your class rings appear somehow smaller. But when all the tiny red plastic rings have been tossed in the trash and your ring is on your finger, you don't remember waiting at all.
